```
classDiagram
    TestKeySig <|-- QObject
    TestKeySig <|-- Ms::MTest
```

The diagram illustrates a class hierarchy. At the bottom is a box labeled 'TestKeySig'. Two lines extend upwards from the top of this box, branching out to the left and right. Each line terminates in an arrowhead pointing towards a box above it. The box on the left is labeled 'QObject', and the box on the right is labeled 'Ms::MTest'. This indicates that 'TestKeySig' is the superclass, and 'QObject' and 'Ms::MTest' are its subclasses.
